

SOUTH ESSEX CARAVAN CENTRE CHARITY YEAR

We are four months into our Charity Year and we have been raising money steadily over this time and as you know we had a Chinese Charity Meal & Raffle in November. Also, it is great news that the 200 Club is now sold out.

However, one of the most important fund-raising events throughout the year, is in fact YOU, the members raising funds every weekend. A Very Big Thank You for all the fund raising that is taking place on the rallies. For the members coming up with great ideas and for members taking part. This really helps increase the fund and we would not be able to help the Air Ambulance without this continued support.

I have noticed that whisky bottles appear to be part of the weekend fund-raising, what we all have to suffer to raise money.

You might like to know that I went to the Air Ambulance Office in East Colne to get some Collecting Tins, and I really had trouble finding it in the dark. One of the girls talked me in, waited for me (it was gone 5) and then came and found me in the car park. It was the young lady in the yellow tabard. They were all so nice, there was a small reception area and then a bank of people on phones with computers. They all waved and said thanks for what we are doing. It was great to see some of the faces behind the charity.

Will and Penny have said that they will be running another Charity Meal & Raffle, Indian this time, I believe, so please look out for the date and come and have a fun evening, with great food. Its lovely to meet up with members mid-week, always fun.

The Collecting Tins will also be out and about at various rallies, so any odd change you have would be fantastic. I will also take any contributions for the various raffles we will be holding, perhaps unwanted presents, which would be gratefully received. I am sure any Committee Member would be able to take them for me, if I am not around. Must remember to tell them.

Now to let you know roughly what we have managed so far. **We have raised over £2000 to date** which I think is absolutely brilliant.

Once again, THANKS TO ALL OF YOU, for all your efforts, and hope you that you are having fun raising the money for this very worthwhile Charity.
